			Feature Film											
6	Waste	Recycling	Racing to Zero - in pursuit of zero waste	2015	56	?	Racing To Zero is a quick-moving, upbeat documentary presenting new solutions to the global problem of waste. By simply substituting the word RESOURCE for the word GARBAGE, a culture can be transformed, and a new wealth of industries can emerge. Three years ago the mayor of San Francisco pledged to achieve zero waste by 2020. Racing to Zero tracks San Francisco's waste stream diversion tactics and presents innovative new solutions to waste. This film documents a surprising, engaging and inspiring race to zero.	Christopher Beaver		Vimeo Preview, website to licence	Community screening licence from Bullfrog films	https://vimeo.com/103964242	http://www.racingtozero.org/	
			Short video clips											
6	Waste	Resources	MAN	2012	3:36	25m YouTube views	Animation looking at mans relationship with the natural world. And the impacts of him and his wastes on the planet. Music: In the Hall of the Mountain King by Edvard Grieg.	Steve Cutts		YouTube		https://www.youtube.com/watch?v=WfGMYdalClU		
6	Waste	Recycling	Viridor Materials Recycling Facility - MRF	2010	2:57	21.7m YouTube views	Viridor operates over 20 Materials Recycling Facilities (MRF) in the UK. Utilising state of the art technology and strict quality control procedures, Viridor effectively separates mixed recyclable materials from households and businesses to produce high quality recycle to be used in the manufacturing of new goods and packaging.	Viridor		YouTube		https://www.youtube.com/watch?v=8DAk8m7sVM4		
6	Waste	Food	Bio-bus - the UK's first poo powered bus	2014	4	245k YouTube views	GENeco launched the first UK bus powered on gas generated from recycling food waste and treating sewage – the Bio-Bus! Television personality Stefan Gates took the first journey on the bus, which is refuelled at GENeco's gas to grid plant at Bristol sewage treatment works. GENeco produces enough biomethane at the plant to power almost 8,500 homes as well as providing gas for the Bio-Bus which can travel around 300km on a full tank.
