

HoTT Film Nights

Our next film showing on climate change issues is on a **WASTE & RECYCLING** theme and takes place 7.30pm in Brambles café bar upstairs room in Holmfirth on:

Thursday 8th June 2017

Our feature film is **RACING TO ZERO**, an award-winning 60 minute US film documentary made in 2014. This upbeat film examines San Francisco's zero-waste initiative, which seeks to eliminate all rubbish that goes to landfills by 2020. This will be preceded by 30 minutes of short film clips on other waste and recycling issues affecting our lifestyle here in the UK.

Racing To Zero is a quick-moving, upbeat documentary presenting new solutions to the global problem of waste which is polluting our planet. By simply substituting the word **RESOURCE** for the word **RUBBISH**, a culture can be transformed, and a new wealth of industries can emerge.

Three years ago the mayor of San Francisco pledged to achieve zero waste by 2020. **Racing to Zero** tracks San Francisco's waste stream diversion tactics and presents innovative new solutions to waste. This film documents a surprising, engaging and inspiring race to zero, from which we can all learn. Come along and make your own mind on how relevant it is here in the Holme Valley!

Free film night, but donations towards film cost welcome.

Forthcoming film nights planned for 2017 covering other themes:

Thursday 10th August - ENERGY

Thursday 12th October - TRANSPORT

Put these dates in your diary!
