

HoTT Film Nights

Our next climate change impact film showing in 2018 is on a **WASTE & RECYCLING** theme and takes place 7.30pm in the Gallery Room above Holmfirth Parish Church in Holmfirth on **Friday 22nd June 2018**

A PLASTIC OCEAN, our feature film is an award-winning 2016 documentary film which explores the harsh reality of the unimaginable damage we are doing to our planet while dumping eight million tonnes of PLASTIC into our oceans every year. By 2025, the oceans will contain one ton of plastic for every three tons of fish; by 2050 there will be more plastic than fish!

COME AND FIND OUT FOR YOURSELF ABOUT 'PLASTICS POLLUTION'

Free film night, but donations towards film costs welcome.

Forthcoming film nights planned for 2018 will covering such themes as:

Lifestyle – Eco-housing, homes for the future

Transport – the Electric car revolution

Watch out for these dates!
